Advance Notice

We recommend placing your order as early as possible. A minimum of two weeks' planning is required for meals. An additional service fee will be added to events booked fewer than seven days in advance. The service fee will be 20 percent of your total order, with a minimum fee of \$25. We require a deposit to be paid in the amount of 50 percent of the balance due at a minimum of three weeks prior to the event. Payment for the full balance is required by the event date.

Guaranteed Attendance

When determining a guest count for your event please attempt to provide as accurate a number as possible. The guaranteed count is due seven days prior to the event. You will be billed for the guarantee or the number of guests served at the event if that number is higher than the guarantee. If the guest count increases within three days of the event, additional fees will apply. This charge is assessed to compensate for overtime scheduling and increased product costs associated with last minute purchases.

Room Sets

Rooms will be set for up to 5 percent over the guest count. Should additional place settings over and above the 5 percent be requested, there will be a charge of \$5 per place setting.

Small Group Service

Catered events must attain a minimum of \$250 in sales in food and beverage items. Any events falling short of the sales minimum will be assessed the difference.

Late Arrival/Extended Meals

Meals are served promptly as scheduled. Service is provided for 1½ hours for breakfast or lunch and 2½ hours for dinner meals. The Service Charge for events exceeding the allotted time is \$125 per hour.

Cancellation Fees

If cancellation of your event becomes necessary, the following cancellation fees will be assessed:
